Education

Defence Institute of Advanced Technology, Pune

2023 – 2025

M.Tech Cyber Security (CSE)

CGPA: 7.97

RIET, Rajasthan

2019 – 2023

B.Tech CSE

CGPA: 8.52

Technical Skills

Programming Languages: C, C++, Python, Go, JavaScript, C#

Security Domains: Wireless Security, BLE Protocol Analysis, Zero-Trust Architecture, Cryptography, Network Penetration Testing

Security Tools & Frameworks: SPIFFE/SPIRE, OpenZiti, X.509 PKI, Ubertooth-One, BLE/Wi-Fi Sniffers, Aircrack-ng Suite

AI & Data Workflows: Attack Dataset Generation, Traffic Labeling, Feature Extraction for Intrusion Detection Models

Experience

Centre for Development of Advanced Computing (CDAC)

Jul 2024 – Present

Project Engineer

Chennai

- Performed **wireless security analysis** and **controlled attacks** to generate datasets for **AI model training**
- Executed **IoT** and **network security assessments** using sniffers and traffic injectors
- Researched **SPIFFE** identity framework and **OpenZiti** zero-trust architecture
- Built **automated testbeds** for evaluating wireless attack surfaces

Gurugram Cyber Cell (GCCST)

Jun 2021 – Jul 2021

Summer Trainee

Gurugram

- Explored hacking methods, techniques, and cybersecurity areas through hands-on workshops
- Networked with security enthusiasts and gained practical insights through interactive sessions

Projects

Blockchain based Authentication (*Hyperledger Fabric, Kerberos*)

M.Tech Final Year Project

- Developed an enhanced Kerberos authentication system using Hyperledger Fabric for distributed security
- Implemented a distributed three-organization model (AS, TGS, ISV) with multi-peer redundancy architecture
- Achieved 99% resistance against DDoS attacks and eliminated single points of failure in the authentication process

Publications

RELIABLE AUTHENTICATION of IoT using KERBEROS and BLOCKCHAIN

Dec 2024

- https://doi.org/10.1007/978-3-032-14534-5_17

A Comprehensive Survey on Zero Trust Architecture in IoT Networks

Dec 2025

- DOI: 10.1109/IoTatS67227.2025.11282130

Achievements & Leadership

Academic & Competitive Achievements

2017 – 2024

Sports Championships & Academic Excellence

Multiple Locations

- GATE 2023: Achieved All India Rank 3547 in Computer Science Engineering
- Taekwondo: Gold Medal winner in 13th District and State Championships (Ajmer & Sikar, 2017)
- Spandan 2024 (DIAT): 1st place in COD and Football; 2nd in Kho Kho; 3rd in Basketball, Volleyball, Photography, and Kabaddi

Leadership & Event Management

2022 – 2024

Sports Coordination & Project Representation

Rajasthan & Pune

- RIET Sports Coordinator (2022): Successfully coordinated Table Tennis tournaments managing 50+ competitive matches
- Spanden DIAT Manager (2024): Managed Table Tennis and Badminton events with 150+ matches and participants
- GMRT Scientific Exhibition (2024): Represented Defence Institute of Advanced Technology showcasing cybersecurity research
